

CHIP PACKET PROJECT NZ

– WHATS IT ALL ABOUT?!

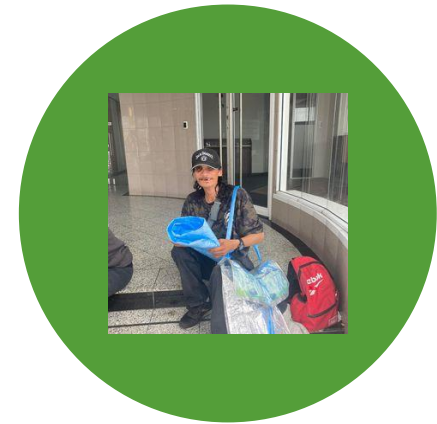

RETHINKING FOIL PACKAGING – IT'S A REUSABLE RESOURCE

IT TAKES 2MINS TO EAT A PACKET OF CHIPS. IT TAKES 80YRS FOR THAT PACKET TO DECOMPOSE IN LANDFILL

CPPNZ TAKES COLLECTED PACKETS AND FUSES THEM INTO THERMAL PRODUCTS TO HELP THOSE IN NEED

CPPNZ IS LOOKING TO THE EXPERTS IN SOCIAL SERVICES AOTEAROA TO DISTRIBUTE TO THOSE IN NEED

HOW ARE THESE PRODUCTS MADE?

- Individuals make the strips (of various ages and demographic)
- Community Groups complete the fusing into blankets
- Partnering with Duke of Ed Hillary Award
- Partnering with NZ Corrections
- Partnering with ZeroWaste

WHO IS COLLECTING THE FOIL?
