# Informed Practice

*Te Pātaka Mātauraka* has been designed and developed with **Te Aorerekura: The National Strategy to Eliminate Family Violence and Sexual Violence** at its core.

*Te Pātaka Mātauraka* focuses on:

- strengthening prevention through education,
- building community capability,
- supporting whānau to heal from trauma.

and is intentionally grounded in kaupapa Māori values and mātauranga Māori.

By integrating Te Aorerekura' principles, *Te Pātaka Mātauraka* supports the transformation needed to:

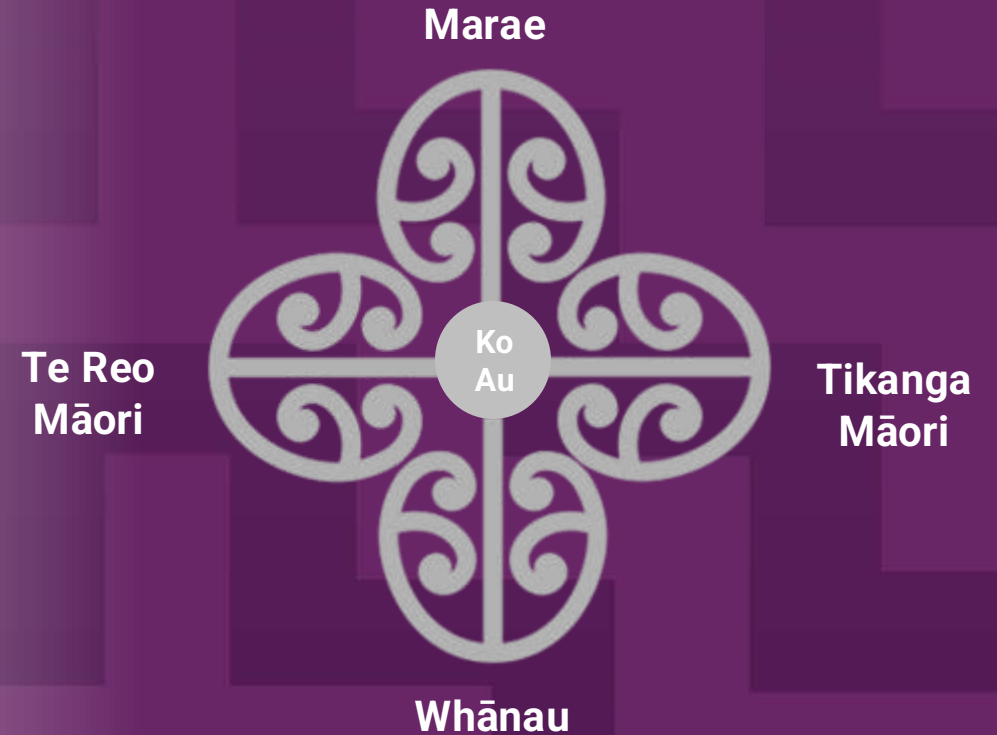

- break cycles of harm,
- empower whānau, and
- uphold the collective responsibility of creating violence-free futures.

# Learning Modes

We are exploring multiple modes of learning from in-person, one-on-one or group facilitation, to online virtual learning, giving participants access to resources, learning, and the latest research to support their growth.

We will also be utilising Marae / Wānanga-based learning as an essential environment for clients to immerse themselves and tautoko their journey.

# Empowering whānau with Ai and Mātauranga

Join our **AI-powered workshops** through *Te Pātaka Mātauraka* and experience a new way of learning, creating, and sharing knowledge. Using **KahaCreate**, we combine the power of artificial intelligence with **mātauranga Māori** to design resources, explore ideas, and co-create solutions in real time. These workshops are **whānau-centred, interactive, and future-focused**, helping you build digital confidence while staying grounded in kaupapa Māori values. It’s about using technology to **amplify our voices, protect our stories, and strengthen our identity.**

# Protecting your Data, protecting your Mana

At *Te Pātaka Mātauraka*, we uphold the principles of **data sovereignty**, ensuring that **your information is owned and controlled by you** and protected under kaupapa Māori values. All client data is **stored securely on our own servers** here in Aotearoa, giving you confidence that your personal details, learning records, and whānau information remain **private, safe, and managed with integrity**. We are committed to safeguarding your **mana, whakapapa, and identity** by keeping your data **out of third-party control** and ensuring it is used only to support your journey.

**Secure Aotearoa-Based Servers** All Client detail is stored on secure servers in Aotearoa.

**Strict Access Control** Only authorised kaimahi who are directly supporting your journey.

**Encrypted Systems** We use industry-standard encryption and security protocols to safeguard your data against unauthorised access.

**Regular Auditing and Monitoring** Our systems are regularly reviewed to maintain high levels of data security and compliance

# What’s next for te Pātaka Mātauraka?

## Te Ara Tika - Cultural Alignment Tool

Te Pātaka Mātauraka has developed a Cultural Alignment Tool to **assess the alignment of values and practices** when approached by external organisations.

This tool helps ensure that potential partners **uphold kaupapa Māori principles**, demonstrate commitment to Māori wellbeing, and respect tikanga and cultural protocols.

By using this framework, Te Whare Hauora and Te Pātaka Mātauraka can make informed decisions about **collaborations that strengthen Māori communities** while maintaining the integrity of their kaupapa and programmes.
